(<https://jp.usembassy.gov/embassy-consulates/business-opportunities/>)

The U.S. Embassy Tokyo requires a contractor to perform fan coil pipe insulation replacement services for the U.S. Embassy housing compound in Tokyo, Japan. This is an indefinite-delivery indefinite-quantity (IDIQ) type contract and the performance period of this contract is from the start date in the Notice to Proceed and continuing for 12 months, with one one-year option to renew. All responsible sources may submit a quote, which will be considered.

Note: As required by U.S. Government's federal acquisition regulation (FAR provision 52.204-7, System for Award Management), prospective offerors shall be registered in the System for Award Management (SAM) database prior to award of a contract. Below is the website link providing vendor registration information:
<https://www.sam.gov/SAM/>

Place of Contract Performance: Tokyo, Japan
